EL PORVENIR
DE CAFAYATE

PEQUEÑAS FERMENTACIONES: These are micro-vinifications that we elaborate in search of different wines that can express another account about our región. We are driven by the desire to innovate, learning and exploring our limits, becoming the representation of Cafayate's potential.

WINEMAKING: We made this wine with Torrontés and Rosé Moscatel from old vines at Finca El Retiro. White and rosé grapes co-fermented with their skins and seeds in concrete eggs, and were in contact with them for 6 months.

VARIETAL COMPOSITION: TORRONTÉS & ROSÉ MOSCATEL

REGIÓN: CAFAYATE VALLEY

TA: 6.73gr/l

PH: 3.40

RS: 1.80gr/l

ALCOHOL: 12.5% vol.

TASTING NOTES: Medium golden color with reflections in tone. Aromas of high intensity; complex and interesting freshness. On the nose, its floral notes of orange blossom and jasmine stand out and its herbal touches reminiscent of mint, thyme and citrus fruits such as grapefruit and some tropical fruits such as papaya. Once opened, spicy notes of paprika, saffron and red flowers are perceived. On the palate it is a vibrant wine, with pronounced acidity that refreshes and a pleasant tension on the palate. It is of medium volume, with good texture and herbal and fruity expression.

ONLY 7200 BOTTLES MADE IN 2022
